GF exceeds 5% ownership threshold, resulting in a combined projected shareholding in Uponor of 42.6%

As part of the voluntary recommended public cash tender offer for all shares in Uponor, GF as offeror reserved the right to buy shares in public trading at Nasdaq Helsinki or otherwise. At 17 July end of trading day, GF crossed the 5% ownership threshold with purchased shares amounting to 5.7% of all issued Uponor shares. Together with the shareholdings for which GF has received irrevocable undertakings to accept the offer, this results in a combined projected shareholding of 42.6% of all issued Uponor shares.

On 12 June 2023, GF has announced its voluntary recommended public all-cash tender offer for all the issued and outstanding shares in Uponor Corporation at a price of EUR 28.85 per share. The strategic rationale of the transaction is compelling as the acquisition of Uponor would accelerate GF Piping Systems' strategy towards leadership in water and flow solutions. It would also be consistent with GF's strategic priorities to drive profitable growth and further increase the resilience of GF.

As noted in the announcement release, GF has reserved the right to acquire Uponor shares before, during and/or after the offer period in public trading on Nasdaq Helsinki or otherwise.

GF is pleased to inform that by 17 July 2023 it had purchased 4'173'876 shares, amounting to 5.7% of all issued shares in Uponor. As of the same date, GF's shareholding plus the irrevocable undertakings in the tender offer represented in total 42.6% of all issued shares outstanding in Uponor.

GF continues to expect that the transaction can be closed during the fourth quarter of 2023 as set out in the announcement release.
